Certification of Institutional Compliance

Effective August 1, 2019, the State Approving Agency, or the Secretary when acting in the role of the State Approving Agency, shall disapprove a course of education provided by an educational institution that has in effect a policy that is inconsistent with the areas below:

NOTE: A *Covered Individual* is any individual who is entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-9/11 GI Bill® benefits.

Caribbean University certifies that its institutional policy:

- Permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under Chapter 31 or 33 (a "Certificate of Eligibility" may also include a "Statement of Benefits" obtained from the Department of Veterans Affairs (VA) website eBenefits, or a VA Form 28-1905 for Chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from the VA is made to the institution; or
2. Ninety (90) days after the date the institution certifies tuition and fees following receipt of the certificate of eligibility.

- Ensures that the institution will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or require a covered individual to borrow additional funds because of the individual's

inability to meet his or her financial obligations to the institution due to delayed disbursement of funding from the VA under Chapter 31 or 33.

In addition, Caribbean University may require a covered individual to:

1. Submit a certificate of eligibility for entitlement to educational assistance no later than the first day of a course of education.
2. Submit a written request to use such entitlement.
3. Provide additional information necessary for the proper certification of enrollment by the educational institution.
4. Pay any amount that represents the difference between the student's financial obligation and the amount of the VA educational benefit disbursement.

By signing this document, Caribbean University certifies that it complies with the requirements of **38 U.S.C. §3679(e)** and that its institutional policies, catalogs, bulletins, and related publications are consistent with these requirements.
